A Simple Act of Encouragement

Turn your prayers for children and young people into a simple act of encouragement.

How to Use the Cards

1. Print the A4 sheet.
2. Cut out the four individual cards.
3. Write a short, personal message to a child or young person.
4. Add any useful dates, such as when your children's or youth group starts again.
5. Pray for them as you write.
6. Send or give them their card before they return to school.

Keep Your Message Simple

You could write:

We are thinking of you and praying for you as you start back at school. We hope you have a great start to the new school year. Remember, God is with you wherever you go!

Your Challenge

Who could you encourage?

Print the cards one for each children or young people and let them know that their church is thinking of them and praying for them.

For safeguarding and privacy, do not include any personal information about the child or young person on the postcard. If you do not have their postal address, you can invite them, or their parent or guardian, to collect the postcard during or at the end of a church service in the coming weeks.
